Summary

I am a Software Engineering student at VIT University, Chennai.

-> Interested in exploring various fields of Computer Science.
Currently attended workshops for AR/VR.
-> Explored Cloud Computing through Google Cloud Ready
Facilitator Program.
-> Love to learn about technologies and how it works.
-> Learning Full Stack, open to contribute

As of now, my studies have provided me with broad proficiency in
the area of Problem Solving, basics of Software Engineering and
Development. Alongside this, I'm into some mini projects based on
Full Stack Development.

I am eager to hear about potential career opportunities, so I would be
pleased to chat about internship openings in the IT sphere.
